## FARMVILLE

The hotel business in Farmville is on a veritable boom. With each incoming train there are three attractive conveyances at the depot and strenuous is the contest over the new arrivals as they step from the cars. The hotels are only a few hundred yards distant from the depot and this is quite a luxury that the proprietors offer to the traveling public. It would be well if by common consent they should agree to abandon the vehicle business and let everybody walk The old Randolph house is undergoing thorough repair and when the improvements are finished it will be up to date in every particular. There will be two bath rooms on each floor, hot and cold water in each room, the whole house to be heated by steam and now if a real hotel man is put in charge, Farmville will at last have a hotel of which all of us will be proud.

Mr. H. E. Wall, of the town council, is moving to separate the races at our depot just as they are on the moving trains, and all decent people are wishing him God speed in this noble effort.

The recent term of the Circuit Court was void of interest. I heard one of the leading lawyers say that the docket was "mighty." What a contrast of the present and those of the past.

Hon. J. J. Owen has decided to run again for the legislature. Mr. R. E. Brock, law partner of Judge A. D. Watkins, is also spoken of as a possible aspirant.

The contest for county treasurer promises to be lively from start to finish.

The new Methodist church begins to give evidence of what the finished structure will be.

Dr. Beckham is maturing plans for a new private residence, and Capt. S. W. Watkins will make extensive improvements on his home on High Street.

Tue late B. L. Anderson was the embodiment of method and system and carried them so far that he has the hair cut each week. Twelve dollars a year is rather above the average for such luxury.

The executive committee of the Normal board has recently held a session at the school. They are guests of the institute when here, have attentive quarters of their own, live on the best of the land, and while they do good work have a "good time."

I was invited to dine recently in one of our homes and was delighted to know that in this home at least the "servant girl problem" has been competently and most satisfactorily solved. We chatted and cheerfully until about 12 o'clock when the good housewife excused herself and at 1 o'clock the dinner bell sounded. It was a good dinner too and only one hour had been consumed in its preparation and that housewife did it all. Of course there was a broiled ham nor a roast turkey, and yet a sumptuous and attractive meal. I repeat that which I have so often said, and that is that the Anglo Saxon race is not dependent on any other race beneath the stars. As long as the negroes are with us they must cook and should work, and if they won't work should be made to 'move on.

The new Easter bonnets are beautiful in design and finish, and of course the girls look stunning in them.

Prof. Bidgood, of the Normal faculty, is busy inquiring into the history of old homes in and around Farmville and will have photographs taken of the same which will be exhibited at the Jamestown Exposition. Among those in the country which are to receive special attention will be the home of the Randolphs in days gone by, "Needham," where Chancellor Taylor once conducted a large and flourishing law school, and "Longwood," the birthplace of Gen. Joseph E. Johnston.

The 'oldest inhabitant' does not recall warmer days in March than were the 22nd, 23rd and 24th of the month just gone. No fires up on any on of our hearth stones and flannels went 'a flying.'

There was an impressive service conducted at the Presbyterian church on a recent Sunday when the pulpit was occupied by the venerable father of the pastor, Rev Dr. Graham, who for more than 55 years has been pastor of the same church in Winchester, Va. He is now 83 years of age and still preaches with rare pathos and power.

It is rumored that an automobile with seats for 24 persons will soon be put on the road between Farmville and Hampden Sidney. It is a fe t want and I trust the rumor is founded on f ct. Hampden Sidney is worth the saving and Prince Edward and Farmville should unite in earnest effort to hold it to the ancient and honored site.

Dr. Hamlet and Mr. H. C. Crute are enjoying life in their cottage home in the country. Their fleet-footed pack of choice fox hounds are sources of constant delight

I knew an old fox hunter some years ago who spent hundreds of dollars each year on his hounds and said he preferred it to any other diversion or pleasure money could buy. The fad in that day was for the rich families of Virginia to spend the summer at the White Sulphur Springs an t is to the old hunter would have been a positive bore.

It is wonderful how d pendent the citizens of Farmville have gotten to be on the lithia water. Our town water was once c nsidered to be as good as need be and no doubt is as good as ever, and yet we prefer to buy the lithia.

Fortunately now that the "turnip top" is on with us eggs have fallen to 15 cents a dozen, and some of us are yet indulging the hope that they may be cent a piece, and yet I do love to see the busy housewife get good prices for what she has to sell.

Mr. Bugg is immensely satisfied to remain in charge of the post office as long as the Republican factions won over the prize. He would make no protest should it continue for an indfinite time to come.

Our farmers as a general thing are ahead with their plowing. I heard one of them say, "I finished in January."

**hamberlain's Cough Remedy is both Agreeable and Effe tive.**

Chamb rlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Pelham, a merchant of Kirksville, Iowa, says: "For more than twenty years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles It is especially successful in case of croup. Until even like it and my customers who have used it will not take any other.'

Sold by J. R. Atwood, Appomattox; R. J. Carter, Prospect; E. F. Glover, Evergreen.

Undoubtedly one way of "curbing swollen fortunes" is squeezing the money out of stocks.

**C. B. Burhans testifies after four years.**

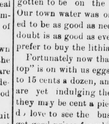
G. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been cured by one bottle of a severe kidney trouble by taking less than two bottle of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return f any of those symptoms during the four year that have elapsed and I am evidently cured to stay cured, and heartily recomend Foley's Kid ey Cure to any one suffering from kidney or bladder trouble." L. E. Smith, Apponia tox, W. B. Woodson, Concord. H. C Nowlin, Spout Spring.

Mr. Roos-velt thinks that N. Y. needs more religion. He has been trying to beat it into Wall street.

**Over-Work Weakens Your Kidneys.**

**Unhealthy Kidneys Make Impure Blood.**

All the blood in your body passes through your kidneys once every three minutes.



The kidneys are your blood purifiers, they filter out the waste or impurities and poisons in the blood.

A healthy kidney can clean a pint of blood completely every two minutes, but when they are sick or out of order, they fail to do their work.

Then poisonous matter and uric acid in the blood are left in the blood, due to neglected kidneys.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves to us that all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Girlhood and *Scott's Emulsion* are linked together.

The girl who takes *Scott's Emulsion* has plenty of rich, red blood; she is plump, active and energetic.

The reason is that at a period when a girl's digestion is weak, *Scott's Emulsion* provides her with powerful nourishment in easily digested form.

It is a food that builds and keeps up a girl's strength.

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

## OLD BUCKINGHAM.

**THE GRAND OLD COUNTY PHOTOGRAPHED.**

**Many Interesting Reports Made of Her People.**

**Buckingham.**

A fine week was the last, for work and farmers got down to it "in great shape" (as the slang goes.)

The merchants at Dillwyn, who have supplied hay to the haulers there, have failed to procure a supply, and for the past week men have been buying just anything they could to feed on, damaged oats sold for 90c. and $1 a hundred, and timothy hay was sold (loose) at $1.25, and found ready purchasers.

Mr. C. H Jones, of New Store, has accepted a position with the Government, as Cattle Inspector for this district and he is now actively engaged in the work He will make a first-class officer.

Most people are shipping their calves in veal state, they brought 8c. a pound last week on the Richmond market.

Mr. T. L. Jones had two teams that made the quickest time on record hauling tobacco to Farmville. They left here about 6 o'clock one evening last week and by 5 o'clock the next morning they got back.

The case again it those charged with burning Mr. Lightfoot's storehouse at Ar on is likely to be tried at next week's term of the Circuit Court.

The pupils in all departments of the High School are being drilled and prepared to appear in the closing exercises in May. We are glad to note much improvement in the classes in each of the three rooms, they are a fine lot of children and in personal appearance they will compare favorably with toe pupils of any school.

The school house at Enonville should t be replaced by a nice new building before another session begins; this is a border school supported by Maysville, Francisco and Curdsville Districts, and the three districts could certainly build a new house.

Mr. R. M. Davis, who has been managing A gums Farm for Gen T. M. Logan, is coming to li e on his own place at out 2½ miles of this place. If B ckingham County could get 1000 such men and such farmers as Mr. Davis is, the county would go right on the upward stretch.

I see well-to-do men hauling ties when they could be plowing. Men, these ties will keep, they can't be any lower in price, you do not need the money, then why not wait until your crop is laid by and your teams are able to pull them?

It seems as if we must pay about $3,000 for railroad fare to Jamestown and return This seems so much as the fare for round trip to the Philadelph a Centennial was only $6 The papers say tickets will cost full fare one way plus 25c.

Mr. C. D. Agee is thinking of closing out his business at Slate River Mills, and open a store near his home.

**Manteo**

Mr Ben G Boatwright has returned to Danville after spending some time at home attending to the affairs of the place.

Miss Sallie M. Sutton, accompanied by her friends, Miss Louie Horsley, and Messrs. J. S. and A. C. Horsley, Jr., paid a flying visit to Scottsville last week.

Miss Louise B. Horsley has returned from a very delightful visit to friends and relatives in Wheeling, W. Va.

Our latest report from Mr. Sam Gibson in Lunenburg, is that he is no better, but are glad to report Mrs. Sue C. Gibson, as slightly improving.

Mrs. Tyler Goodwin, of Scottsville, and little daughter, Dabney, visited Mr. and Mrs. F. R. Moon last week.

Mrs. A. F. and Miss Sallie Brady, of Howardsville, spent several days at Traveller's Rest last week.

Mr. and Mrs. F. R. Moon spent Easter visiting friends and relatives near Scottsville.

Mr. H. B. Taylor, of Louise C. H. spent some time at his old home recently.

"Island View," the home of Miss Sallie Mills Sutton, was the scene of a very enjoyable Easter egg hunt on Easter Monday. Miss Lizzie Camm Patteson carried off the prize.

Miss Sallie Stiger has returned home after spending some time near Hatton and Scottsville.

Misses Mildred and Fannie Horsley are visiting friends in Wythe county.

What have the old citizens to say about this cold spell in the beautiful month of April?

Our bridge across the creek at this point is still a thing to be looked for, but not in vain we hope.

Your correspondent had the pleasure of recently viewing the two new bridges now being constructed across the James at Howardsville and Scottsville. It is gratifying to know that ere long there will be no draw back in crossing at these two most important points. Good old Buckingham is fast coming to the front. Who can deny that fact?

**Republican Notice.**

**Whooping Cough.**

I have used Chamberlain's Cough Remedy in my family in cases of whooping cough, and want to tell you that it is the best medicine I have ever used.—W. F. Gaston, Posco, Ga. This remedy is safe and sure.

Foraker and Taft are at least calling attention to Ohio as the mother of Presidents.

**Gentle and Effective.**

A well-known Manitoba editor writes: "As an inside worker I find Chamberlain's Stomach and Liver Tablets invaluable for the touches of biliousness and sedentary life, their action being gentle and effective, clearing the digestive tra t and the head." Price. 25 cents. Samples free.

The fact that Mr. Richard Mansfield has declared for Roosevelt for a third term, is a sign that the third term idea is rather unpopular.

**INTERESTING STORIES ABOUT HOME FOLKS.**

**Stapleton.**

There was a quiet but pretty home marriage at the residence of Mr. W. H. Drinkard on April the 3rd, when his pretty and attractive daughter "Baby" became the bride of Ervin L. Cluck. The groom wore the conventional black while the bride was attired in white net over cream taffeta; the veil was becomingly looped with arbutus. The parlor was beautifully decorated by the skillful hands of Mrs. Lizzie Rice. Miss Mary Lou, sister of the groom, was maid of honor, and Alvin, brother of the bride, acted as best man. After the ceremony which was performed by Rev. J. C. Davidson, the bridal party drove to the groom's home, where a delightful repast was served. May this couple have a long and happy life is the wish of their many friends.

Little Nina Maye Ragland, who has been ill, is improving.

Miss Annie Tweedy is visiting at Mr. Joe Inge's.

Miss Emma Childress is at home on the sick list. She expects to return to Lynchburg as soon as she is able to resume her work.

Misses Lizzie and Clara accompanied home to spend some time.

Mr. S. W. Staples is at home for fifteen days.

Rev. Dr. Winn was in the village Saturday and Sunday.

**Spring Mills.**

On April the 3rd at Ebeneze Baptist Church, by Rev. Barnhart, Miss Carrie May Elder and Mr. William Labon Ford, and Miss Piercie Holmes Elder and Mr. William Gunter, were united in the holy bonds of matrimony. Miss Piercie Elder was a successful public school teacher, and Mr. Gunter, is a railroad business man. This couple took the train at Naruna, immediately after the ceremony, for an extensive bridal tour. The double marriage of the sisters, has derived Campbell county of two of its teachers, as Miss Carrie Elder was also an efficient and popular instructor in the public schools of her native county. Mr. Wm. L. Ford is the popular and faithful R. F. D. carrier on Route No. 1, Spring Mills, Va.

Mr. Ford and his bride came to their home near Spring Mills on Thursday, the 4th, where a number of friends and relatives had assembled to give them a cordial reception. A bounteous repast of meats, salads, cakes, &c. were served and the guests present all voted it a delightful evening. We cordially welcome Mr. Ford and his bride in our midst. A number of valuable and useful presents, consisting of hand-some pictures, silverware, and table linen attested the popularity of the pair May happiness, a long and useful life be theirs.

**Hisbury.**

Spring has changed her paraphernalia of flowers and sun-shine for a winter regalia of snow and rain Many are pondering if she will resume her former costume before Wednesday, the 10th, as that is to be the wedding day of one of Hisbury's most popular couples. It will now a day of kindly sunshine and a gentle April shower this white canopy will be removed from Mother Earth in much less time than was required to spread it there.

Notwithstanding the cold wave which reached this vicinity before the dawn of Easter, the "Birthday Party" of April 1st proved quite a success, not only financially, but socially as well.

Our guests having assembled and been entertained by music, we requested all who celebrated their birthday in January to proceed to the dining room. Each month followed in order, sometimes two or more together when the number of birthdays was small. The tables were be decked with flowers and Easter eggs. The menu consisted of fried chicken sandwiches, pickles, salads, coffee, tea, cakes, ice-cream and jellies. Each guest received an appropriate souvenir. The society realized about $35 Over one hundred of the silk bags were returned with the requisite number of pennies and now and then a dollar and some also contaiming little rhymes, such as,

"In this little bag so fine
Pennies you will find.
To inclose my age took a lot of grit,
But I remain, as ever yours, Wit."

Immediately after supper the young men engaged in the "Masked Library Contest." A hand some book was awarded to the young man guessing the books correctly. Messrs. Wilson Hix. E. P. Searcy and Lester Sears were successful in guessing them all and after drawing straws Mr. Lester Sears won the book. Messrs. Tom Hix and Wiley Wilkerson deserve special mention as they only missed guessing one of the books. The Society is greatly indebted to Miss Fannie and Mr. Pe H. Gilliam for their kind hospitality.

Owing to the inclemency of the weather, we failed to have preaching on Sunday.

**Teacher's Examination for '07.**

The first examination for 1907 will be held at Appomattox Court-house, in court-room, on May 2nd, 3rd and 4th; the second examination will be held at same place, on July 29th, 30th and 31st; opening each day at 9 a m. Teachers may take either of these examinations, but all who do not expect to attend a summer institute should take the May examination, as the results of the July examination may be made known too late to contract for schools. Those who take the May examination and fail, will not be allowed to take the July examination, unless in the meantime they attend a summer institute.

All teachers now holding certificates, who attend an institute for twenty (20) days, will be permitted to take the examination on one-half the course this year, and, if successful, will be issued a provisional certificate good for one year, of such grade as the averages warrant. The examination can be completed in 1908, when a full certificate of proper grade will be issued.

The examination on the first year, of the Professional course, will be held on the 29th of July; for second year on the 30th, and for third year on the 31st.

Both White and Colored will be examined the same days but in separate rooms.

For further information for all First Grade teachers, write to the undersigned, before the May examination. J. K. HANNAH, Supt.
